**Subject:** Our economy needs your support

The living-wage jobs in our harbor are critical to our economy. Please keep that in mind.

A massive cleanup plan for the Willamette is well-meaning. But I'm concerned that it will also come with unintended consequences with big new costs for companies and utilities. We have so many seniors on fixed incomes who can't afford higher utility rates.

Please do what's right and the important work that happens in the Portland Harbor.

Sincerely,

(b) (6)
